

#### **4.- BLUE MOSQUE & BLUE DANCE (Portugal, 2012/Turkey, 2014)**

I took these photos in Istanbul and Lisbon. I did Erasmus Teacher Visits in Mersin and Évora, but I visited the capital cities too, just for pleasure. I got really impressed, specially in Istanbul. Inside the Blue Mosque there is a kind of a magical atmosphere. And I found the same sensation at the MUDE (Museu do Design e da Moda). You can hear the silence but murmur at the same time. You can see the air around you in a blue way, inviting you to dance. Dance in blue.
